RENO - SPARKS BIGGEST LITTLE OPEN TABLE TENNIS

Handicap Single Elimination Event: This event is intended to be an entertaining event whereby players at any rated level can compete, and any rated player can win a cash prize. The results will not affect your official rating. Players will play in a single, large, single elimination tournament and byes will be randomly chosen as needed. (Note that this is different than in previous years.) Cash prizes will be awarded for the winners instead of trophies.

The lower-rated player in each match will receive up to seven points at the start of each 11 point game. The following scale will be used to determine handicaps (based upon USATT recommendations):

<u>Rating Difference</u>	<u>Handicap</u>
0 -- 31 points	0
32 -- 87 points	1
88 -- 161 points	2
162 -- 249 points	3
250 -- 351 points	4
352 -- 524 points	5
525 -- 724 points	6
Over 724 points	7

If you are not a USATT member as of the June 8, you must purchase a one-year membership for \$49 (\$25 for under 17 or full-time college students) or you must purchase a \$10 tournament pass. USATT membership provides you with a subscription to the Table Tennis magazine and allows entry to other USATT tournaments without paying additional membership fees. The \$10 tournament pass allows you to play and receive a rating at this tournament only. This pass is only available once, and you cannot ever have been a USATT member. The tournament pass is intended to provide new players an opportunity to play in a tournament and receive a rating. It is expected that they will become USATT members at their next tournament.
